TRISURA GROUP ANNOUNCES AGREEMENT TO ACQUIRE 40% MANAGEMENT INTEREST IN CANADIAN SUBSIDIARY

TORONTO, November 29, 2017 — Trisura Group Ltd. (“Trisura”) today announced that it has agreed to acquire the remaining 40% management interest in its Canadian subsidiary that holds Trisura Guarantee Insurance Company (“Trisura Guarantee”). Trisura currently holds a 60% interest in the Canadian subsidiary. Trisura agreed to acquire the 40% interest from a group of current employees and directors of Trisura Guarantee (the “TG Management Group”) in exchange for common and preferred shares of Trisura. Trisura Guarantee is a leading Canadian specialty insurance provider, which operates in the surety, risk solutions and corporate insurance segments of the market.

“Exchanging Trisura Guarantee management’s ownership for shares of Trisura is an important development for us as we integrate our operations and develop our broader platform,” stated Greg Morrison, President and CEO of Trisura. “This transaction better aligns management interests across Trisura with our shareholders, allows all members of our team to participate in Trisura’s growth and simplifies our corporate structure.”

“The management and employee shareholders of Trisura Guarantee are pleased to have reached an agreement to exchange our current shareholding for a significant stake in Trisura, the global public entity,” said Mike George, President and CEO of Trisura Guarantee. “The share exchange will enable us to participate in the future growth of Trisura, as well as helping us achieve our strategic initiatives in Canada and abroad. We look forward to working closely together with Trisura in building an even more successful and significant company in the future.”

A Special Committee composed of Trisura independent directors Paul Gallagher, Bart Hedges and David Nowak was formed to review the proposed acquisition and make a recommendation to the Trisura board of directors. Following its review, the Committee unanimously recommended that the Trisura board proceed with the proposal on the basis that it was in Trisura’s best interests, and the Trisura board unanimously approved the transaction.

Transaction Terms

Trisura has agreed to purchase TG Management Group’s interest in Trisura Guarantee in exchange for Trisura common shares, and in the case of certain members of the TG Management Group, preferred shares of Trisura.

The preferred shares will be issued at a price of \$25 per share. Holders of the preferred shares are entitled to receive a cumulative quarterly fixed dividend yielding 6.00% annually for an initial five-year period ending December 31, 2022. Thereafter, the dividend rate will be reset every five years at a rate equal to the 5-year Government of Canada bond yield plus 7.50%.

The number of common shares to be issued as part of the transaction represents 16.6% of the total number of common shares currently outstanding. The transaction has been conditionally approved by the Toronto Stock Exchange
